

What is the Legacy Committee?

The Mafair United Methodist Church's **Legacy Committee** has been established to provide members and friends, of Mafair United Methodist Church, opportunities to make charitable gifts to the church that will become a source of permanent financial support and a living memorial, through various Endowment Funds, as well as, planned giving opportunities.

- This is my way of ensuring that Mafair United Methodist Church will continue to function effectively, and it allows me to help shape future history today.
- Such a gift made now may provide some immediate tax benefits to me and to my family.
