

**Minutes July 18th, 2022
Trustee's Meeting**

Attendees: Adam, Matt, Chris, Bill and Paul

Adam gave a presentation on our Troop 250 going forward, We could remain as the sponsor, as in previous years, with a lot of responsibility, or just have a facilities use agreement, with very little liability..

Motion to move to the facilities agreement

Matt made the motion, Bill seconded

We would like to have finance set up an asset replacement account to replace all the galvanized plumbing in the church. We feel it will be in excess of \$20,000, but is not immediately required. We will however add a new meter and supply from the street at a cost of \$650 for the city, which will be needed when we re plumb the church. It is galvanized as well.

Shane and Paul will tear out the heating units with hourly paid help for the heavy lifting.

Waiting on security cameras to come in.

Paul is getting bids in carpeting for the sanctuary.

Respectfully submitted: Chris Bayer
